

Abdulla Al-Mannai

Email: almannai327@outlook.com

Phone: (541) 740 4041

Citizenship: Qatar

Current place of staying: United States America

GitHub: <https://github.com/almannab>

Research interests

- Nanotechnology
- Artificial intelligence
- Machine Learning
- TinyML

Education

- Swansea University (Research University) Swansea, Wales
Bachelor's undergraduate
Electronic and electrical engineering June 2014 – July 2016

- Oregon State University Corvallis, Oregon
Bachelor's in electrical and computer science February 2018 – July 2022

Skills

Software Languages:

- C
- C++
- Java
- Python
- assembly language
- code warier.

Hardware:

- Soldering
- Circuit building and troubleshooting
- Arduino
- Amplifiers
- Sensors

Software

- Matlab
- Multi-sim (circuit simulation)
- WireShark
- Linux
- LTSpice
- Atmel Studio
- ADS
