EDUCATION

BSc. Computer Science 2015-2020

Oregon State University

My self-learning ability is okay. Commonly used languages are c, c++, python. Can skillfully use vs and other software for related work. Have certain experience in Socket programming, OpenGL graphics programming development.

WORK EXPERIENCE

I haven't any work relative to computer science yet.

Waiter 2014-2015

Starbucks, Full-time

Before coming to the United States, I had a rest in China. I worked at Starbucks for a year to earn living expenses. Basically my job is to make the coffee and sometimes help with ordering.

E-commerce 2018-2019

Taobao, Part-time

A small attempt by myself and earned a year of tuition.

SKILLS

Languages Mandarin (mother tongue)
 Cantonese (second language)
 English (fluent)
Software MATLAB

PROJECTS

Ulu Watu 2018-2019

cs352

Our project aims to help end the stress of task management with a new type of app that motivates users based on achievements and provides a space dedicated to note taking and task tracking.

Website Cheating Bot Detector 2020-2021

cs461

We should be able to make a basic scraper that can identify websites that contain the course information.
