AUGUST 2017

BACHELOR'S OF ECONOMICS, OREGON STATE UNIVERSITY

3.45 GPA

SKILLS

- Proficiency in C, R, Stata, MATLAB, Python, System Verilog, and ModelSim
- Experience in marketing a variety of products
- Confident working under pressure
- Experience leading a group of peers
- Proven ability to learn multiple topics simultaneously

ACTIVITIES

While attaining degrees in mathematics and economics, I was also an officer of Oregon State University's economics club. I am currently a member of OSU's indoor rock climbing club, robotics club, and OSTEM. I have also been a member of Chemeketa Community College's advanced acapella group ChemekApella. My hobbies include designing tube amplifiers and guitar effects pedals, hiking, and rock climbing.
