Objective

Devoted 3rd year Electrical Engineering and Computer Science student attending Oregon State University. I am highly organized and analytical with good recordkeeping and project management abilities. I was awarded the Ford Family Foundation Scholarship partly due to my academic achievement and involvement in the community.

Experience

High School Mentor

Bend, OR

June 2020 – Aug 2020

- Organized high school students.
- Contacted high school students.
- Created a program for students that will allow them to succeed in College
- Helped students with emails, math, writing, art, etc . . .
- I worked in a team of six mentors and we all kept in contact with each other to create better ways of teaching students.
