725 SW Chickadee St, Unit 106-D
Corvallis, OR 97333

Education

- **THE INDIAN SCHOOL**, New Delhi, India
  High School Diploma, June 2013
- **OREGON STATE UNIVERSITY**, Corvallis, Oregon
  Bachelor of Science in Electrical and Computer Engineering
  Overall GPA: 3.0/4.00 (2017-2018)
  Baccalaureate Core GPA: 3.1, Business School GPA: 3.10
  Expected Date of Graduation: March 2019

Relevant Courses

- Electrical and computer engineering Senior standing (finished ECE 322,323,375,351,352).
- Pursing a Minor in Business.
- All math completed till 306 (Includes calculus, matrix and determinants and differential equations.
- Programming language C++ completed till CS 261 (Data Structures).

Skills

- Operating systems: Windows 10/ MacOS X, Ubuntu, Linux
- Software: Microsoft Office, Excel, MATLAB, Turbo C++, LTSpice.
- Programming Language: C, C++, Python.
- Languages Spoken: English, Hindi, Sanskrit
- Abilities to communicate, willingness to work hard, problem solving ability, ability to multi task, good leadership qualities.
- Soldering and assembly electrical parts and PCB design

Projects:

- Several debates with certificates in hand
- Making an amplifier for speakers
- Variable Power Supply
- Audio Synchronizer
- Remote control rover with FPGA

Work Experience

- Maintaining machinery for Star Paper Mills.
