## EXPERIENCE

### **Video Game Development Club, — Director and Officer**

January 2022- PRESENT

The video game development club is a place where students have access to resources and people who can help in their video game development journey. A director is somebody who guides and leads others in game creation. An officer also manages finances and other paperwork for the club

### **RESI-Store, Dearborn Hall OSU — Volunteer**

January 2022 - PRESENT

The RESI-Store is a place on campus where students can buy electronic parts. The store also gives students advice if needed. Volunteering there has given ample experience in electronic parts and customer interactions.

### **KC Transport, Springfield OR — Customer Service**

May 2019 - January 2020

I have worked at KC delivery and transport service as a customer service representative and dispatcher. I always maintain a positive attitude and help the customer with any need they may have.

## EDUCATION

### **Marist Catholic High School, Eugene OR — Graduate**

September 2017 - June 2021

Marist Catholic High School is a private Roman Catholic, college preparatory school in Eugene, Oregon, United States founded by the Marist Brothers. Its motto is "We are One". This school prides itself in having the best education, and top-tier students. They also have a 50-hour volunteer program required for graduation.

## PROJECTS

### **Game Jam Projects — Lead director and producer**

Game jams are events in which there's a time limit to make a game.
